

La C.I.A.

Eugenio Finardi

Well there's really nothin' that you can do or say
'cause you know, honey, you're never gonna have it your way
Because I'm paid, I'm paid by the C.I.A.
And you're never gonna be free until I go away.
La C.I.A. ci spia e non vuole piu' andare via
la C.I.A. ci spia sotto gli occhi della polizia
la C.I.A. ci spia e non vuole piu' andare via

And I travel round the world to help it to stay 'free□
and I'll help you anyway even if you disagree
because I'm sure I know the meaning of democracy
it means that my way, is the only way to be

La C.I.A. ci spia e non vuole piu' andare via
La C.I.A. ci spia sotto gli occhi della polizia
La C.I.A. ci spia e non vuole piu' andare via
