

# If It Ain't You Today It Will Be You Tomorrow

Euringer

Ride til you die  
Stripping under the sky  
Ha ha ha...  
The whole world burning  
Anticipation  
Ambition  
Blind consent  
Lighter fluid hallucinations  
Silver smiles  
The silk weaver  
Spare me the night  
Red and white  
Condemned to death  
Preying for peace  
God is my friend

With a flick of a wrist  
They turn you into a bitch  
With the pull of a trigger  
They turn you back into a you know (you know)  
You better jump back in the closet  
Cause if it ain't you today it will be you tomorrow  
With a flick of a switch  
They turn you into a bitch  
With the pull of a trigger  
They turn you back into a you know (you know)  
You better get back in the closet  
Cuz if it ain't you today

I am so troubled by this soul of mine

Don't-don't give up  
If you're fighting the good fight don't give up (don't give up)  
Don't-don't give up  
If you're fighting the good fight don't give up (don't give up)

Paint my eyes  
Play with your mind  
Stress under duress  
Cutthroat innocence  
Blow up your asshole  
Molecular strata  
Claustrophobia!  
Phantom President  
Til I die  
Imposed illusions  
Poisoning Poseidon  
White laced fuck doll  
Recommended by toes  
Among all the hoes  
Allen Ginsberg  
The incumbent pause

Everything we knew was a luxury

With a flick of a wrist  
They turn you into a bitch

With the pull of a trigger  
They turn you back into a you know (you know)  
You better jump back in the closet  
Cause if it ain't you today it will be you tomorrow  
With a flick of a switch  
They turn you into a bitch  
With the pull of a trigger  
They turn you back into a you know (you know)  
You better get back in the closet  
Cause if it ain't you today

I am so troubled by this soul of mine

Don't-don't give up  
If you're fighting the good fight don't give up (don't give up)  
Don't-don't give up  
If you're fighting the good fight don't give up (don't give up)  
Don't give up  
If you're fighting the good fight don't give up (don't give up)  
Don't-don't give up  
If you're fighting the good fight

Y'all fucked with the wrong one today  
Y'all fucked with the wrong one today  
What's up?  
Anybody, ready to go? You ready to go again?
