

# That's How Jimmy Gets Down

Euringer

And that's how fucking Jimmy gets down!

I'm just a blast from the past  
Here to kick your motherfucking ass  
Now I see who gets the last laugh  
And that's how fucking Jimmy gets down

He'll make me lock the window rock the boat  
Acting stupid is in my horoscope  
Won't fix it if it ain't broke  
And that's how fucking Jimmy gets down

From one extreme to another  
I hate your daddy but I love your mother  
Slap that dick out your mouth  
And that's how Jimmy gets down

¡Ay! Qué lindo mijo  
¡Ay qué chulo!  
Eres tan lindo, mijito

It's too late I'm slightly out of tune  
It's too late just drowning in the booze  
It's too late got nothing left to lose  
It's too late to save me now  
It's too late I'm tightening the noose  
It's too late all hell is breaking loose  
It's too late now watch me rock the house  
It's too late to save me now

Kiss me and hurt me and kill me and touch me and lick me and love me and need me and want me now

And that's how fucking Jimmy gets down!

My inner child is a prostitute  
I never was with nothing else left to lose  
I can't talk about it right now  
I'm in the middle of a lawsuit baby

I'm living in denial  
But I'm going out in style  
Will never ever ever see me smile  
And that's how fucking Jimmy gets down

And my bass smartasses  
But Superman can't be Clark Kent without the glasses  
Now who is the dumbasses  
And that's how Jimmy gets down

Eres bonito tan suave  
¡Ay! mijito  
Dame un beso  
¡Ay qué chulo, ay qué chulo!

It's too late I'm slightly out of tune  
It's too late just drowning in the booze

It's too late got nothing left to lose  
It's too late to save me now  
It's too late I'm tightening the noose  
It's too late all hell is breaking loose  
It's too late now watch me rock the house  
It's too late to save me now

Kiss me and hurt me and kill me and touch me and lick me and love me and need me and want me now

You know you like that!

The ancient philosophical discussion as to whether many of us are good or evil  
Is often brought forward in connection with my method  
Considering that to leave children free is a dangerous mistake  
Since they have in them innate tendencies to evil.  
The tendencies which WE stigmatize as evil  
Are often merely those which cause annoyance to us adults.  
It is we who provoke the children to the violent manifestations  
Of a real struggle for existence  
And wrest from them the objects of their desire.  
Evidently, the question of absolute good and evil  
Intuitive ideas  
Goes beyond such limitations as these

We can always say that we have made a contribution  
To the cause of goodness  
By removing obstacles which were the cause of violence and of rebellion  
Let us render therefore unto Caesar the things that are Caesar's  
And unto God the things that are God's  
And unto God the things that are God's
