

# Broken Dreams

Europe

Wherever I decide to go  
Whatever I decide to do  
There`s one thing you ought to know  
I always miss you so

You had me in the palm of your hand  
But I fell through like a grain of sand  
But you remain inside my heart  
Wherever I may go

Broken dreams  
Leave you standing so sad  
Broken dreams  
They can hurt you so bad

But what can I say? Am I to blame  
And if I did stay  
It wouldn`t be the same

I`m sorry that it turned out wrong  
My feelings were not quite that strong  
I wish you all happiness  
Wherever you belong

There`s isn`t much left to explain  
Let me tell you it was not in vain  
Those moments, they weren`t meant to cause  
You any pain
