When lights go down

G C
I see no reason

G **Ami**
for you to cry

G C D
We've been thro' this before

Emi G C G
in every time in every season

Ami G
God knows I've tried

C D
so please don't ask for more

C D C
Can't you see it in my eyes

Ami D C D
Well this might be our last goodbye

maybe we'll meet again somewhere again

I read your mind, with no intensions
Of being unkind, I wish I could explain
It all takes time, a whole lot of patience
If it's a crime, how come i feel no pain
Can't you see it in my eyes
This might be our last goodbye
