Feel my body breathing in
Touch the softness of my skin...
I am very beautiful
I can be so beautiful...

I am very beautiful
I could be successful...

My hands are moving My feet are tied

Watch the way my hair falls down See the way my hair falls down

I am very beautiful
I can be so beautiful

Touch the softness of my skin Feel my body breathing in

My hands are moving My feet are tied My eyes are closing My mouth is wide

I will let you touch me If you want to touch me
