

# Got A Feelin'

Eva Avila

Ohhh.....

Ooo-oh-oh

Ooo-oh-oh-oh-oh-oh-oh

This time I really fell in love  
This time I really fell for someone new  
I thought I gave it all too much  
I guess my all was not enough for you  
I gave the best of me  
Not a part of it  
And my mind and my body and my heart admit  
And I knew from the beginning wouldn'a started it  
I am so hooked on you

[Chorus:]

I've got a feeling you've got  
Got what I'm needing  
What you wanna do  
What you gonna do  
I've got a feeling you've got  
Got what I'm needing  
What you wanna do  
What you gonna do... with me

I guess I made a big mistake  
To think that you would change your ways for me  
I thought that you were here to stay stay with me  
I thought that you would be my everything
