

Down Home Blues

Eva Cassidy

Will I hear your party's jumping
Everyone's having a good time
You know what's going through my mind
Do you mind if I get comfortable
And kick off these shoes
While you fixing me a dream
Play me some of them down home blues

I don't get out much on the town
I ain't the kinda woman
Who be fooling around all week long
I've been keeping my cool
But I'm gonna let my hair down
And get down with these down-home blues

Down home blues
Down home blues
All I wanna hear are those down-home blues
All night long, every other record or two, oh yeah
I'm gonna let my hair down
And get down with these down-home blues

You know my old man is gonna wanna fight
Because of the hour I'll be getting in tonight
But I don't care
Tonight I'm gonna do as I choose, oh yeah
I'm gonna let my hair down
And get down with these down-home blues

Down-home blues, down-home blues
Yeah all I wanna hear are those down-home blues
All night long
Every other record or two, oh yeah
I'm gonna let my hair down
And get down with these down-home blues
