

# Drowning in the Sea of Love

Eva Cassidy

I've been down one time  
And I've been down two times  
But right now I'm drowning  
Drowning in the sea of love

I've been out here for so very long  
I've lost all of my direction  
Baby, when you came my way  
I thought I had found my protection

But a strong wind came into my life  
It surely took me by surprise  
I can't seem to control these tears  
That are falling from my eyes

I've been down one time  
And I've been down two times  
But right now I'm drowning  
Drowning in the sea of love

Baby, I depended on you  
For our love navigation  
Now you've gone and deserted me  
Can't you see that I'm in desperation

I'm in the middle of a bad love storm  
Ooh yeah, I wasn't ready for  
I look around and all I can see  
Is water pouring over me

I've been down one time  
And I've been down two times  
But right now I'm drowning  
Drowning in the sea of love

I've been out here for so very long  
I've lost all of my direction  
Baby, when you came my way  
I thought I had found my protection

But a strong wind came into my life  
It surely took me by surprise  
And I can't seem to control these tears  
That are falling from my eyes

I've been down one time  
And I've been down two times  
But right now I'm drowning  
Drowning in the sea of love
