I Know You By Heart

Midnights in winter The glowing fire Lights up your face in orange and gold I see your sweet smile Shine through the darkness Its line is etched in my memory So I'd know you by heart

Mornings in april Sharing the secrets We'd walk until the morning was gone We were like children Laughing for hours The joy you gave me Lives on and on 'Cause I know you by heart

I still hear your voice On warm summer nights Whispering like the wind

ohhh, ohhhh, ohhhhh, ohhhh

You left in autumn The leaves were turning I walked down roads of orange and gold I saw your sweet smile I heard your laughter You're still here beside me Everyday 'Cause I know you by heart 'Cause I know you by heart **Eva Cassidy**
