BAILA

Eva Simons

Oye co mo va
Vi ne a la fiesta
Oye co mo va
Todo la noche vamos a bailar
Me tell dem!
Echa lo echa lo echa lo aki
Bring it to bring it to bring it to me
Love the way you move papi
La noche vamos a gozar

Without di gyals there ain't no vibe
So hurry hurry
Without the boys there ain't no drive
So hurry hurry
Deja que el ritmo te lieve
Work your way to me right now
Oh hurry
Oh hurry
Oh oh oh!

Baila! baila!
Baila! baila!
