

Christmas Will Be Better Next Year

Eva Simons

Christmas will be better next year

I just wanna get some dinner
Kentucky or some McDonald's
Cause I don't have any money
COVID made my pockets empty
So please go and streams this song
So I can buy a fancy dinner next year
Christmas will be better than yeah
Next year, next year

Christmas will be better next year
Merry Christmas
Merry Christmas
Christmas will be better next year
Merry Christmas
Merry Christmas
Merry Christmas
Merry Christmas

Santa why you always lying
Look at them kids, they all crying
You better watch out when you come to town
I'mma track you down, yeah no more hiding
Hope that your big ass falls of the roof
Every time you climb it
I will rob you from your presents
That will teach you a good lesson

Merry Christmas
Merry Christmas
Merry Christmas
Merry Christmas
Christmas will be better next year
Merry Christmas
