

Escape From Love

Eva Simons

Oh lord, have mercy on me
I don't know what I'm doing
Hope I will be just fine
If I let my feelings out

For real, I had a good time
Just had enough of you're mine
Did I really let you go? No, oh oh

I'm holding for life
Cause I can't escape-ape-ape
Escape from love
And I don't wanna die
But I can't escape-ape-ape
Escape from love /x3

If finding love is what is
We want to trust with no risk
But I find it hard, baby, oh

You know I had a good time
Just had enough of you're mine
Did I really let you go,
really let you go, go, go

I'm holding for life
Cause I can't escape-ape-ape
Escape from love
And I don't wanna die
But I can't escape-ape-ape
Escape from love /x3

Escape from love
I cannot let you go
Escape from love /x2
I cannot let you go, no no no
Oh oh oh oh, no no no
Cannot escape from your love

I'm holding for life
Cause I can't escape-ape-ape
Escape from love
And I don't wanna die
But I can't escape-ape-ape
Escape from love
