

# Burned

Eva Under Fire

I know you were hoping  
For just a pretty face  
Well now you got me goin'  
Better get out my way  
Never asking you for favors  
While I'm taking down your name  
Whoa

Call it  
Call it off  
You're just a  
Two-timing peace of mind  
Call it  
What you want  
But I won't have to be alone tonight  
I got, got the music baby  
I know ya did me wrong  
Call it a let down but I learned  
Why don't we call it burned

No interest in your good time  
I've got my own to make  
I know what you been thinking  
You made a big mistake  
I wanted what you had but  
I never needed you  
Sorry you got it twisted  
Please don't look so confused

Call it  
Call it off  
You're just a  
Two-timing peace of mind  
Call it  
What you want  
But I won't have to be alone tonight  
I got, got the music baby  
I know ya did me wrong  
Call it a let down but I learned  
Why don't we call it burned

Water under the bridge

Burn burn burn  
Burn burn burn

Call it  
Call it off  
You're just a  
Two-timing peace of mind  
Call it  
What you want  
But I won't have to be alone tonight  
I got, got the music baby  
I know ya did me wrong  
Call it a let down but I learned  
Why don't we call it burned
