

Come Undone

Eva Under Fire

Mine, immaculate dream made breath and skin
I've been waiting for you
Signed with a home tattoo
Happy Birthday to You was created for you

Can't ever keep from falling apart at the seams
Can't I believe you're taking my heart to pieces

Oh, it'll take a little time
Might take a little crime
To come undone now

We'll try to stay blind
To the hope and fear outside
Hey, child, stay wilder than the wind
And blow me in to cry

Who do you need, who do you love
When you come undone?
Who do you need, who do you love
When you come undone?
When you come undone?
Who do you need
Who do you love
When you come undone?

Words, playing me déjà vu
Like a radio tune I swear I've heard before
Chill, is it something real
Or the magic I'm feeding off your fingers?

Can't ever keep from falling apart at the seams
Can I believe you're taking my heart to pieces?

Oh, it'll take a little time
Might take a little crime
To come undone now

We'll try to stay blind
To the hope and fear outside
Hey, child, stay wilder than the wind
And blow me in to cry

Who do you need, who do you love
When you come undone?
Who do you need, who do you love
When you come undone?
When you come undone?
Who do you need
Who do you love
When you come undone?
