

Devil In Disguise

Eva Under Fire

The Devil in disguise
The Devil in disguise

The scars are covering up all these broken bones
Chains are dragging me down but know they'll never hold
You think all of me is defeated, I'm beaten when
All I needed was here in me
(Here in me, here in me)

You think I'm falling now
But I'm not going down
No, this is not my time
You've got those demon eyes
With claws as sharp as knives
'Cause you are, you are, you are
The Devil in disguise

Ooooh
The Devil in disguise

I have seen every lie that you hid in the dark
Time to bring it to light, expose the thing you are
You think everyone's believed your deceiving when
All I needed was here in me
(It's always been in me)

You think I'm falling now
But I'm not going down
No, this is not my time
You've got those demon eyes
With claws as sharp as knives
'Cause you are, you are, you are
The Devil in disguise

The Devil in disguise
The Devil in disguise

My heart and my soul
No, you can't take it from me
I don't belong to you
I have been set free
(It's always been in me)

You think I'm falling now
But I'm not going down
No, this is not my time
You've got those demon eyes
With claws as sharp as knives
You are, you are, you are
The Devil in disguise

Ooooh
The Devil in disguise
Ooooh
The Devil in disguise
