

I Will Fight

Eva Under Fire

Suffocate me
I'm still breathing
I won't give up I won't give in
Isolate me
I'm not retreating
I will rise up
I will resist

What doesn't kill me
Will likely try again

I will fight
I will be the last one standing
Until my bones shatter
In the face of disaster
I will fight
Until I collapse
Until my fire burns out
Until I'm dead
I will fight

Detonate me
I'm still ticking
I'm bleeding but I'm not defeated
Cut my throat
I'm still screaming

What doesn't kill me
Will likely try again

I will fight
I will be the last one standing
Until my bones shatter
In the face of disaster
I will fight
Until I collapse
Until my fire burns out
Until I'm dead
I will fight

I will be the last one standing
Until my bones shatter
In the face of disaster
I will fight
Until I collapse
Until my fire burns out
Until I'm dead
I will fight

Fight fight fight til the end
Fight fight stand and rise again
Cause I'm still breathing
Yeah, I'm still screaming

I will fight
I will be the last one standing
Until my bones shatter

In the face of disaster
I will fight
Until I collapse
Until my fire burns out
I will fight

I will be the last one standing
Until my bones shatter
In the face of disaster
I will fight
Until I collapse
Until my fire burns out
Until I'm dead
I will fight
