

With Or Without You

Eva Under Fire

See the stone set in your eyes
See the thorn twist in your side
And I wait for you
Sleight of hand and twist of fate
On a bed of nails you make me wait
And I wait without you

With or without you
With or without you

Through the storm we reach the shore
You gave it all but I want more
And I'm waiting for you

With or without you
With or without you
I, I can't live
With or without you

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

My hands are tied
My body bruised, you got me with
Nothing to win and
Nothing left to lose

And you give yourself away
And you give yourself away
And you give
And you give
And you give yourself away

With or without you
With or without you
I, I can't live
With or without you

Oh, oh, oh, oh, oh

With or without you
With or without you
I, I can't live
With or without you
With or without you
