

So Suddenly

Evan Taubenfeld

I can't be awake
I never thought that I could lose someone
I'd give it all to change
Go back in time before that day begun

Suddenly
Things went wrong
Just like that
You were gone
I can't take back what I've done
And I've lost it all, all, all, all

Only one to blame
I wish I could've found a way to stop
I would take your place
I feel like I deserve this
It's my fault
I say

Suddenly
Things went wrong
Just like that
You were gone
I can't take back what I've done
And I've lost it all, all, all, all

Suddenly
Things went wrong
Just like that
You were gone
I can't take back what I've done
So suddenly
So suddenly
So suddenly

Suddenly
Things went wrong
Just like that
You were gone
I can't take back what I've done
It's all my fault
It's all my fault
That I lost it all
I lost it all
