

Stubborn

Evan Taubenfeld

Things used to great
Now we can't relate,
and every day is a struggle

Some things not right
You just want to fight
Well go find someone else
Cus your not my type anymore

I don't wanna play your games
I don't care if I lose you today
Cus your never satisfied by any thing
So try life without me

Nothing I do ever pleases you
I wonder how you'd like that
What should I say you've made it this way
And I'm supposed to fix it
But I don't feel like it

It's over now
we are finally through
It all because of you
