Em **Am**
1. If you want to live, then live
Em **B7**
if you want to go, just go
Em **Am** **Em B7**
I'm not afraid to dream- to sleep, sleep forever

I don't need to touch the sky
I just want to feel that high
and you refuse to lift me

Am **B7** **Em C D**
R: Guess it wasn't real after all
Am **B7** **Em**
guess it wasn't real all along
Am Em Am Em
If I fall and all is lost
D C Em
it's where I belong

2. If you want to live, then live
if you want to go, just go
I'm never gonna be your sweet, sweet surrender

R2: Guess it wasn't real after all
guess it wasn't real all along
Am Em Am Em
If I fall and all is lost
D Am D
no light to lead the way
Am Em Am Em D C Em
remember that all alone is where I belong

D Am
*: In a dream
Em D C Am
will you give your love to me
Am D Am B7
beg my broken heart to beat
Am Em
save my life
Am B7
change my mind

R3: If I fall and all is lost
no light to lead the way
remember that all alone is where I belong
