

Glory Box

Evanesence

I'm so tired of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long
Just...

Give me a reason to love you
Give me a reason to be a woman
I just wanna be a woman

From this time, unchained
We're all looking at a different picture
Through this new frame of mind
A thousand flowers could bloom
Move over and give us some room, yeah

Give me a reason to love you
Give me a reason to be a woman
I just wanna be a woman
I just wanna be a woman
It's all I wanna be, is all, a woman

This is the beginning
Of forever and ever
It's time to move over

I'm so tired of playing
Playing with this bow and arrow
Gonna give my heart away
Leave it to the other girls to play
For I've been a temptress too long, too long, too long, too long, yeah

Give me a reason to love you
Give me a reason to be a woman

All I wanna be is a woman
A woman
