for you

2. Drink up sweet decadence

I can't say no to you

and I've completely lost myself and I don't mind

I can't say no to you

R: Shouldn't let you conquer me completely...

Good enough

I feel good enough

it's been such a long time coming but I feel good

*: And I'm still waiting for the rain to fall

pour real life down on me

cause I can't hold on to anything this good enough

am I good enough

for you to love me too?

So take care what you ask of me

cause I can't say no
