

# The Change

Evanescence

Thought that I was strong  
I know the words I need to say  
Frozen in my place  
I let the moment slip away

I've been screaming on the inside  
And I know you feel the pain  
Can you hear me?  
Can you hear me?  
Haaa...

Say it's over,  
Yes it's over  
But I need you anyway  
Say you love me but it's not enough

Never meant to lie  
But I'm not the girl you think you know  
The more that I am with you  
The more that I am all alone

I've been screaming on the inside...

Say it's over,...

How could I set you free?  
Not that I am so different  
Not that I don't see it  
I don't deny what we used to be  
How could I forgive you?  
You've changed!  
And I'm a liar by your side  
I'm about to lose my mind

'Cause I've been screaming on the inside  
And I know you feel the pain  
Can you hear me?  
Can you hear me?  
Haaa...

You've been dreaming  
If you're thinking  
That I still belong to you  
I'll be dying,  
'cause I'm lying to myself!  
Haaa...

Say it's over,...
