

# Weight Of The World

Evanescence

Feels like the weight of the world  
like God in heaven gave me a turn  
don't cling to me, I swear I can't fix you  
still in the dark, can you fix me?

Freefall, freefall, all through life

If you love me, then let go of me  
I wont be held down by who I used to be  
she's nothing to me

Feels like the weight of the world  
like all my screaming has gone unheard  
and ohm I know you don't believe in me  
safe in the dark, how can you see?

Freefall, freefall, all through life

If you love me, then let go of me  
I wont be held down by who I used to be
