

# What You Want

Evanescence

Do what you, what you want  
If you have a dream for better  
Do what you, what you want  
Til you don't want it anymore (Remember who you really are)

Do what you, what you want  
Your world's closing in on you now (It isn't over)  
Stand and face the unknown (Got to remember who you really are)

Every heart in my hands  
Like a pale reflection  
Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe  
We can break through

Do what you, what you want  
You don't have to lay your life down (It isn't over)  
Do what you, what you want  
'Til you find what you're looking for (Got to remember who you really are)

But every hour slipping by  
Screams that I have failed you  
Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe

There's still time  
Close your eyes  
Only love will guide you home  
Tear down the world and bring us home  
'Til we crash  
We're forever spiraling  
Down, down, down, down

Hello, hello,  
It's only me infecting everything you love  
Somewhere beyond the pain  
There must be a way to believe

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to the forgiveness

Hello, hello, remember me?  
I'm everything you can't control  
Somewhere beyond the pain  
There must be a way to believe  
We can break through

Remember who you really are  
Do what you, what you want
