

# You

Evanescence

**C** **D** **G** **D/F#**  
The words have been drained from this pencil  
**Emi** **D** **G**  
Sweet words that I want to give you  
**D/F#** **Emi** **C** **D** **G**  
And I cant sleep, I need to tell you... goodnight

**C** **D** **G** **D/F#**  
When we're together I feel perfect  
**Emi** **D** **G** **D/F#** **Emi**  
When I'm pulled away from you I fall apart  
**C** **D** **D7**  
All that you say is sacred to me  
**Emi** **D** **Emi** **CD**  
Your eyes are so blue, I can't look away as we lay in the still  
ness  
**C** **G** **D/F#** **Emi**  
You whisper to me.

**C** **D** **Bmi** **C**  
Amy, marry me, promise you'll stay with me  
**G** **D/F#** **Emi** **C** **D** **Emi**  
Oh you don't have to ask me, you know you're all that I live fo  
r  
**C** **D** **G** **D/F#** **Emi**  
You know I'd die just to hold you, stay with you  
**C** **D** **Bmi** **C** **G** **D/F#** **Emi**  
Somehow I'll show you that you are my night sky  
**C** **D** **Emi**  
I've always been right behind you  
**C** **D** **G** **D/F#** **Emi** **C** **D**  
Now I'll always be right beside you

So many nights I've cried myself to sleep  
Now that you love me I love myself  
I never thought I would say that  
I never thought there'd be you
