

## i mean you

EVE 6

In this bed I can see things  
In this  
In this bed I can see things

A Bobby with a bum knee eating bahn mi above me  
A chopping block a clock with hands stuck at the top

And I swore never to negotiate with emotional terrorists

And I mean you, yeah you  
And I mean you, yeah you

From this hill I won't come down  
From this  
From this hill I won't come down

A dumb dumb with a sore thumb chewing Stevia gum  
Telling me to vote blue no matter who

And I swore never to negotiate with emotional terrorists

And I mean you, yeah you  
And I mean you, yeah you

And I swore never to negotiate with emotional terrorists

And I mean you, yeah you  
And I mean you, yeah you  
And I mean you, yeah you  
And I mean you, yeah you
