

Victoria

EVE 6

She's doing body shots off italian guys in Mexico,
I'm all alone,
She's dancing with a vampire to bilingual disco,
I'm all alone,

Cause she went to La Playa for the fire show,
If I could be a fly upon the wall I would know,
I don't mean to be possessive,
But baby please, I'm getting desperate,

No, I don't believe you went to bed at 10:15,
Victoria, you're tearin' me up,
You said you'd call, I waited up,
I don't know why I even try, I need another tequila,

She goes out, lets her hair down, bumps up
I'm all alone
She's groovin' to a Coldplay dance mix turned up,
I'm all alone

Cause she went to La Playa for the fire show,
Am I in denial, is she dancing alone,
You don't like my attitude, well,
I don't like your latitude,

No, I don't believe you went to bed at 10:15,
Victoria, you're tearin' me up,
You said you'd call, I waited up,
I don't know why I even try, I need another tequila,
Another tequila,

I hope los gran mosquitos gets ya,
And your sun is stormy weather,
I wish I never met you,

No, I don't believe you went to bed at 10:15,
Victoria, you're tearin' me up,
You said you'd call, I waited up,
I gotta, gotta say no, I don't believe you went to bed at 10:15
,
Victoria, you're tearin' me up,
You said you'd call, I waited up,
I don't know why I even try, I need another tequila.
