All Night

Soon as I walked in I caught his eye Grabbed me and said he wanna be mine Told him to hold up and take his time There's a lot of dudes waitin', so get in line So listen to me, I'm not a regular bird Gotta be special to see my world What you gonna do to give me thrills To get with E V E you gotta have skills So if you want it, come and get it Go, I'll show you things you never saw I can get you tickets front row to my peep show Can be like an animal, really can you handle, though Need to see that you can have it all

All I need is a beat like this And I lose my mind All I need is a girl like you We can go all night All I need is a beat like this And I lose my mind All I need is a girl like you We can go all night All night, all night

You ain't ready for this boy, you know you scared It takes a lot to make the sexy kitty purr No cheap thrills over here, fuck what you heard Have you geekin' like Screech, nerd Rude boy, why you sweatin' me You can't even handle me Man you need to stop Can't you see I'm outta your league To impress me you gotta have caliber Put some precision in your swing, Excalibur I done gone pro, you still a amateur You could test it out, but boy you'll damage her Back to the drawing board, you gotta get your swag up You in love baby boy, man up

Shawty say it real fast, that's how she want it I told her I'm from Houston, understand we do it slowly I said her eggs was a'snaking and she wish she never known that I hate to break the bad news, but baby I pack the cobra Shots of Henny and soda, man we twist it and roll it From the door to the sofa, she scream my name like promoters She tell me that I'm the hottest I said correction, the coldest I be in it all night, she wake up makin' mimosas Gotta her caught in the feelings, textin' and Twitter mentions She givin' me up her heart, gonna be credit cards in a minute You are rockin' with the trillest, trillest you ever witnessed I swear the first time I hit it, you went in and get addicted Propain
