Eve

Ugh! (Whoa) Ugh! (Woo!) Ugh! Ugh! (Arf! Arf! Arf!) Ugh! Ugh! Ugh! Now for every real dog There's that bitch that's behind him That bitch that when that nigga get to missin' She gon' find him Old girl gonna stand with the dog Hand in hand with the dog And whatever the fuck went down she ran with the dog First time I had a match and didn't scratch You catch just loss half you niggas, but the punk can fetch And I know my babygirl is gonna stretch Any rappin' motherfucker, male or female Place your bets You can imagine what the bloodline is like Since I love mine to fight I'm on some shit like what time tonight Y'all niggaz can't be for real Cause any one of you faggots Will catch a face full of lead Bitch you shouldn't be faggots Fuckin' maggots, once you have it, as good as I got it I know my hands is in my pockets But Eve got you spotted, red dotted Eve didn't before the Dog Nothin' but a walk in the park Always been the bitch that could roll with a thug and Wipe up the blood Roll in the mud with your other ducks nigga what? What you need when the chips is down I'll abide on the stand when evidence is found I give pound to ya niggaz they respect this bitch I spit rounds at your enemy no less than six Always keep the extra clip Dog taught me well The extra eyes on your team I see who's next to fail Always hold your back up, I pick it up when you slack up And if attention gets to close I tell the world to back up Bind too tight, rhymes who ride? Bitch and you livin' nigga lessons through life Fuckin' with the dog he's the master Plus he's gonna show me how to blast ya Bullets hit you then pass you Split you then stash you The game is real, E-V-E, DMX, the name's for real, uh Fuckin' with the dog man niggaz keep beefin' Eve will hold it down now, niggaz can believe (Woo!) Quick as niggaz come and quick as they'll be leavin' (Ugh!) Paramedics on your chest, pushin' and breathin' Get em girl, ha-ha, that's my baby I'mma put the bitch down, cause the boy got rabies All my pups is crazy, cause off the leash

They can eat, stand a match for 3 hours at least

And if the beast is in the big one The beast is in the little ones

Talkin' 'bout let's hit him son Fuckin' with the little guns Y'all niggaz had a little run What more do you want? For your fans you can front But the dog is on the hunt

You know I'm at the door point fox rippin' 'em out And you're the only one that can tame me When I'm flippin em out
Bite's lethal, no recovering
I spitz no other than acid
Up against the top contenders
None of them lasted
This bitch gon always hold you down
Keep the cowards thinking twice
I keeps it gritty nigga
Never think that love is life
Turnin' my back is something cats would do
I never take flight
Cause any breed he put's me up against
This bitch is gonna bite

Ugh! Woo!
Ugh! Ugh! Woo!
Ugh! Ugh! Ugh! Ugh! Woo! Woo!
Woo! Woo! Woo! Woo!
Ugh! Ugh! Ugh! Ugh! Ugh!
Ugh! Ugh! Ugh! Ugh! Ugh!
Ugh! Ugh! Woo!
