

# First Lady

Eve

Yo, yo, yo  
When I say Eve, y'all say Eve  
Eve, Eve, Eve, Eve  
When I say Eve, y'all say Eve  
Eve, Eve, Eve, Eve

When I say Rough, y'all say Ryders  
Rough Ryders, Rough Ryders  
When I say Rough, y'all say Ryders  
Rough Ryders, Rough Ryders

Now Eve's gonna take it there  
Eve's gonna take it there  
Eve's gonna take it there  
Eve's gonna take it there

Eve's gonna make ya yell  
Eve's gonna make ya yell  
Eve's gonna make ya yell  
Eve's gonna make ya yell

Eve's gonna make it clear  
Eve's gonna make it clear  
Eve's gonna make it clear  
Eve's gonna make it clear

trouble now

Run for cover now  
Run for cover now

Told ya we'd shut 'em down  
Told ya we'd shut 'em down  
And we told ya we'd shut 'em down  
Told ya we'd shut 'em down  
And we told ya we'd shut 'em down  
Told ya we'd shut 'em down

Don't say nothing now  
Don't say nothing now  
Don't say nothing now  
Don't say nothing now

Don't say nothing now  
Don't say nothing now  
Don't say nothing now  
Don't say nothing now

Now, now, now  
Rough Ryders, Rough Ryders  
Rough Ryders, Rough Ryders  
baby, 2000
