All Fucked Up

Everclear

I am all fucked up
And I am ready to break
I don't wanna be the guy
Who is always on the outside
I wanna find my own
good place

All fucked up
And I don't know how
How I ever got to where I feel
Like I am dying on the inside
I want to be happy
But I don't know how

I am all fucked up
And it's always the same
I always get so close,
Then I let it get away
I got no one but
myself to blame

I'm all fucked up
And I don't know why
If the rest of my life
Is going to be like this
Think I would rather die
I am all fucked up

Yes, I am all fucked up
You're happy
when you are all fucked up
Yes, I am all fucked up

I am all fucked up
Yes, I am ready to break
I don't wanna be the guy
Who is always on the outside
I wanna find my own
good place

All fucked up
And I don't know how
How I ever got to where I feel
Like I'm dying on the inside
I want to be happy now

I am all fucked up
And it is always the same
I always get so close
then I let it get away
I got no one but
myself to blame

I am all fucked up
And I don't know why
If the rest of my life
Is going to be like this

```
Than I think I would rather die
I am all fucked up
```
