

## Connection

Everclear

All I want to do is get back to you  
Connection, I just can't make no connection  
But all I want to do is to get back to you  
Everything is going in the wrong direction  
The doctor wants to give me more injections  
Giving me shots for a thousand rare infections  
And I don't know if he'll let me go  
Connection, I just can't make no connection  
But all I want to do is to get back to you  
My bags they get a very close inspection  
I wonder why it is that they suspect 'em  
They're dying to add me to their collection  
I don't know if they'll let me go  
Connection, I just can't make no connection  
But all I want to do is to get back to you
