## Her Brand New Skin

**Everclear** 

She is everywhere I am Yeah when I don't want her to be there I kinda want to leave in a hurry She's walking on the city Heavy in her monster boots I hear her calling my name I hide behind the people that I want to be I hear her calling my name I can see the future when she tells me how it's going to be She is perpetual Kathy All shake and happy in her brand new skin She is perpetual Kathy She is always the same She is everything that I'm not Strong and happy with the sound of the rhythm inside I do not want to be a broken record, But I don't want to live in the shadow of a twelve-step I hear her calling my name Next thing you know I think I'll want to be a better man I hear her calling my name Yeah, I used to be a devil but they never seemed to give a damn
