

Girl, you thought you found the answer
On that magic carpet ride last night
When you wake up in the morning
The world still gets you uptight

Well, there's nothing new that you ain't tried
To fill the emptiness inside
When you come back down, girl
Still ain't feeling right, don't it seem like

Kicks just keep getting harder to find
And all your kicks ain't bringing you peace of mind
Won't you find out it's too late
Girl, you better get straight, but not with kicks
You just need help, girl

Well, you think you're gonna find yourself
A little piece of paradise
And it ain't happened yet
So girl, you better think twice

Yeah, don't you see no matter what you do
You can never run away from you
If you keep on running, you just might pay the price
Don't it seem like

Kicks just keep getting harder to find
And all your kicks ain't bringing you peace of mind
Before you find out it's too late
Girl, you better get straight

You don't need kicks
To help you face the world each day
That road goes nowhere
Yeah, I'm gonna help you find yourself another way

Kicks just keep getting harder to find
And all your kicks ain't bringing you peace of mind
Before you find out it's too late
Girl, you better get straight

Don't it seem like
Kicks just keep getting harder to find
And all your kicks ain't bringing you peace of mind
Before you find out it's too late
Girl, you better get straight
