

New Blue Champion

Everclear

I don't want to hear you say you're sorry
I don't want to hear you say we can start all over again
I think you must think that I am stupid
Well I might be stupid for the rest of my life
But I'll never be stupid to you again
I just want it all to go away
Yeah, just go away
Yeah

I can see the light above me
I hear the sound of a brand new song
I don't want to hear your preaches
Cause I know what's right, I know what's wrong
I can see the light above me
I hear the sound of a brand new day
I'm not going to settle for less
I don't think things are going to change
I just want it all to go away

I don't want to hear about your damage
I don't want to hear you say that you think I'm damaged too
Because I know you know that the damage in me
Is from the horrible things you say and do
I know that the damage in me comes from the damage in you
I just want it all to go away

I can see the light above me
I hear the sound of a brand new song
I don't want to hear your preaches
Cause I know what's right, I know what's wrong
I can see the light above me
I hear the sound of a brand new day
I'm not going to settle for less
I don't think things are ever gonna to change
I just want it all to go away
Yeah, just go away
Yeah, I don't want to talk about it
I don't want to hear your lies
I don't want to talk about it
And I don't understand why you do not realize

I don't want to hear you say you're sorry
No, I don't want to hear you say we can start all over again
Whoa, I can see the light above me
I hear the sound of a brand new song
And I don't want to know your reasons
Cause I know what's right, I know what's wrong
I can see the light above me
I hear the sound of a brand new day
I can picture the lives without you
And I don't think things are ever gonna change
I just want it all to go away
I can see the light above me
The sound of a brand new song
I don't want to know your reasons
Cause I know what's right, I know what's wrong
