

# You

Everclear

All the scars on my body and soul  
All the trouble I've known  
All the evil things that I say and do  
All comes back to

A little boy, back when life was new to me  
Hiding in my room, waiting for my mom to leave  
I learned to lie, to save her from the truth  
I was raped when I was eight years old  
On a sunny afternoon

I fall back to the black and white of  
Here and now I need to calm down  
I think I need to calm down  
I'm on my old street  
A past that is so hard for me  
Looking for a place  
That I really do not ever want to see

All the scars on my body and soul  
All the trouble I've known  
All the evil things I say and do  
It all brings me closer to... you

The house is empty as I walk inside  
I don't want to be here  
I want to stay in denial  
I see my demons smiling in the gloom  
I have to face this thing  
Or I will never leave this room I...see...me  
Playing with the older boys  
In a house where my mom had told me not to go  
They started hurting me  
And laughing as they held me down  
They broke me as I screamed  
Inside the violence and the awful sound

All the scars on my body and soul  
All the trouble I have ever known  
All the fucked up things I say and do  
All brings me closer to you  
To you

I am screaming at the mirror  
Looking in the eyes of you. Yeah you  
I give my joy, all my shame  
All the credit and the blame  
To you

Now I know why I'm addicted to pain  
Yeah I know I am addicted to everything  
Now I know what I have to do  
I have to kill the monsters for you. For you  
I will forgive those damaged boys  
That did this awful thing to you. To you  
I have to fix this broken heart  
I need to be just like a father to you. To you

I have to fix this broken heart  
I will always be a safe place for you. For you  
I will always be your champion  
I will always kill the monsters for you. For you  
I give my joy all my shame  
All the credit and the blame. To you

Twisted, broken, angry, and free  
I am twisted, broken, angry and free  
Twisted, broken, angry and free
