

Ghost Light

EVERGLOW

Ouh, uh, uh, uh, uh

I can feel your eyes on me
You are near
Chasing down my silver light
Have no fear
Come and follow
Into the water here with me
I'm your wildest dream
Everything you need
Come and follow me

Come and follow me
Come and follow me
Come and follow me
Come and follow me

Come and get me
Come and get me
Come and get me

You know
You want more
So come try, and catch me if you can
You know
You want more
So come try, and catch me if you can

Close your eyes, and hear my voice
In your ears (In your ears)
You think that I'm far away
But I'm here (Here here)
Come and follow (Here)
Into the darkness here with me
Water to you knees
But you follow me

Come and get me
Come and get me (Come on, hey, hey)
Come and get me
You know (You know)
You want more (You want more)
So come try, and catch me if you can (Wooh)
You know (You know)
You want more (You want more)
So come try and catch me if you can

Try and catch me if you can
Try and catch me if you can
Try and catch me if you can
Try and catch me if you can
Try and catch me
Try and catch me
Try and catch me
Try and catch me
Try and catch me
Catch me

Catch me
Catch me
Catch me if you can

Come and get me
Now you got me (Wooh, aha, ey)
Dam, dam, dam, dada, dam, da, dam, dam, da, dam
Dam, dam, dam, dada, dam

Now I'm with you and you're with me
Singing you to sleep
Now close your eyes and rest in peace
Ouh...
