

Heartless

Evergrey

Feels like it deepens
As if I'm one of the heartless
'Cause I can't feel what my heart felt, ooh no
I can't find reasons to keep feeding this soul
This loss of control that I can't feel

Untie my belief's end
I'm tired of breathing you
Tired of dreaming
Of times that won't come true
So tired of feeling
I'm tired of feeling you
And all this time that I've lost
I've lost to you

I can't believe that
I stood by you for this long
I even knew the outcome, oh yeah
A heart finds treason
Less important than breaking
So when something's worth saving
It saves it

Untie my belief's end
I'm tired of breathing you
Tired of dreaming
Of times that won't come true
So tired of feeling
I'm tired of feeling you
And all this time that I've lost
I've lost to you

I was high on believing
I was high on believing you
So tired of feeling
So tired of feeling you
And what I used to be feeling
The one thing you never knew

Untie my belief's end
I'm tired of breathing you
Tired of dreaming
Of times that won't come true
So tired of feeling
I'm tired of feeling you
And all this time that I've lost
I've lost to you

Untie my belief's end
I'm tired of breathing you
Tired of dreaming
Of times that won't come true
So tired of feeling
I'm tired of feeling you
And all this time that I've lost
I've lost to you
