

Misfortune

Evergrey

Did you feel the wind change?
Does the sky still seem the same?
Do you feel the rain?
Has it come to wash defeat away?

Misfortune be gone!
Oh oh oh oh, oh oh oh
We won!
Misfortune be gone!
Oh oh oh oh, oh oh oh oh oh
A new dawn

Now that the color of the sunrise changed
Will you do the same or stay and fade?
How did we ever grow in this avalanche?
All these impressions come so fast it tears us apart
Now that we've proven comfort is a bloodbath
How do we stay alive in its aftermath?

Misfortune be gone!
Oh oh oh oh, oh oh oh
We won!
Misfortune be gone!
Oh oh oh oh, oh oh oh oh oh
A new dawn

Misfortune be gone!
Oh oh oh oh, oh oh oh
We won!
Misfortune be gone!
Oh oh oh oh, oh oh oh oh oh
A new dawn
A new dawn
A new dawn
