

## Wildfires

Evergrey

I've always been dreaming of new days  
Where I'm stronger and I could feel less, think less  
So silence could solve me

If the sun fell down  
And burnt us down to the ground  
Would the wildfires remind me of  
That my heart's worn out  
And I'm all out of fire  
And if that's all that life is  
I don't want to do this

'Cause all I do now is weakening  
And all I've got to look forward to is truth  
'Cause I wish I could feel less, think less, be less

If the sun fell down  
And burnt us down to the ground  
Would the wildfires remind me of  
That my heart's worn out  
And I'm all out of fire  
And if that's all that life is  
I don't want to do this

If the sun fell down  
And burnt us down to the ground  
Would the wildfires remind me of  
That my heart's worn out  
And I'm all out of fire  
And if that's all that life is  
I don't want to do this
