I knew this cat named Darrell, he didn't have a dollar  
G G4  
He was a Harvard material out league  
susscholar  
D  
Had a PHD ... An MBA  
G G4sus  
But now he's waitin' tables cause there's rent to pay  
D  
Company's down sizin', inflation's risin'  
G G4sus  
Can't find a job, he's feelin' kinda stressed  
D  
Doesn't even feel the effects when he says  
G G4sus  
Forgot to count how many times he been blessed  
D  
So he falls off track starts smokin' the crack  
G G4sus  
Once it hits his brain, starts a chain react  
D  
Sells the shirt off his back, shoes off his feet  
G G4sus  
He's loosin' all his teeth now he's out on the street  
D  
When all of a sudden he's like Jesse James  
G G4sus  
Tryin' to stick up kids for they watches and chains  
D  
When he's visitin' the school he's nervous with his tool  
G G4sus  
So he ends up on his back in a bloody pool for the

I knew this chick named Sally she had a nice strut  
And every where that I went, she was up in the cut  
Swingin' that butt like place your ad here  
Only rapper bens they rock the fly gear  
Brand name wearin', champagne waivin'  
Jewels around her neck like the style she's cravin'  
Aint no savin' she's doin' all the spendin'  
If you do the lendin' she'll do the bendar'  
Straight machine vendin', its money to take  
On shoppin' sprees, get her on her knees

And if you hit her with the keys to your crib you actin' funny  
Come home one day find her countin' outch yo' money  
From the wetland all the way to the Apollo  
If you broke she spit and if you rich she might swallow... for the

I knew these two home boys, that made a lotta noise  
Makin' money on the block, from kids was on they jock  
They were tougher than lead, they like a river when run  
DMC when they was toting to gun  
They hold then wait, they goin' outta state  
Stakin' mad chips and pushin' fat whips  
Flys chew they clothes, they got no job  
And then one disappeared, then one got robbed..... for the
