

# Goodbye

Everlast

Na-Na-Nahh-Na, Na-Na-Nahh-Na, Hey, Hey, Hey... Goodbye!  
Goodbye, it's over  
we're through  
it's done  
our relationship is no longer one on one  
so I quit girl  
I don't need this  
I'm disgraced  
'cause in my face  
you spit  
I quit stepin' out wit another guy  
after givin' you my love I deserve to know why  
how long has this been going on  
how long have you been doin' me wrong  
you thought I didn't know  
you thought I wouldn't go  
well, that's why I'm makin' this song  
to say goodbye

Na-Na-Nahh-Na, Na-Na-Nahh-Na, Hey, Hey, Hey... Goodbye! (2x)

Pack your bags  
get out of sight  
I won't see you with a man on any night  
you try to play me like a fool  
but now you see you've been schooled  
by the E  
and it's plain to see  
you thought you had luck like a four-leaf clover  
well, your luck just ran out  
home girl it's over  
I hope you had a lot a fun  
were you lyin' when you said I'm numba 1  
well, I guess it don't matter  
it makes no difference  
I caught you wit' a smokin' gun  
or so to speak  
girl you a natural born sneak  
and the hand you delt me was really weak  
but that's alright, you won't see me cryin'  
I brush a girl off when I catch her lyin'  
so when I toss you out  
don't dare ask why  
don't try to return wit' a tear in your eye  
that's just my way of sayin' goodbye...

Na-Na-Nahh-Na, Na-Na-Nahh-Na, Hey, Hey, Hey... Goodbye! (2x)

Usin' me,  
Confusin' me,  
Inside you abusin' me  
You think I'll stick around so you can keep abusing me  
Wise up girl, I ain't playin',  
You try to make it better sayin'  
Let's hit the hey and make love  
Then I know that your loyal  
But I can't take the stress, I don't need the termoil

You told me that you love me but it was a lie  
You know that I care, but I must say goodbye  
Who is it that you thinkin' about when we kissin'  
And when we all alone is it him that you're missin'  
I couldn't stand the feelin' when I see another man in my spot next to you  
So what you want me to do?  
Forget about it?  
Act like it never happened?  
Turn the other cheek and wait to get slapped again?  
Or until you say when?  
You're through with me but you will see  
I'll be the first to say b-y-e  
So when I toss you out don't dare ask why,  
It's just my way of sayin' goodbye

Na-Na-Nahh-Na, Na-Na-Nahh-Na, Hey, Hey, Hey... Goodbye! (2x)

I must admit it, you hit it well  
Did you get your kicks puttin' me through hell  
Runnin' around with your new found child, he's not a man  
He can't get wild, but that's alright, girl, you made your choice  
And maybe by now you're sick of my voice, but it's too bad  
'Cause you made me mad,  
And I'm gonna show you all the things that you might've had  
Then you'll be the one feeling pain and misery  
Regretting the past (goodbye)  
'cause you're history  
So when I toss you out don't dare ask why,  
Don't tug at my sleeve as I walk by  
Don't try to return with a tear in your eye,  
It's just my way of sayin' goodbye

Na-Na-Nahh-Na, Na-Na-Nahh-Na, Hey, Hey, Hey... Goodbye! (2x)
