

Sometimes It's Easy

Evermore

Everything is fragile
Everything will come and will go
Everyone is fragile, but most don't let it show

Sometimes it's easy, sometimes it's not
And you know sometimes you've got to give it all you got

Every day we're changing
You switch from summer to rain
But I'll take the sun with the showers I'll take your love with
your pain

Sometimes it's easy, sometimes it's not
And you know sometimes you've got to give it all you got

Sometimes it's easy, sometimes it's not
And you know sometimes you've got to give it all you got

Sometimes it's easy, sometimes it's not
And you know sometimes you've got to give it all you got
