

Let me get a little of your heart worm  
Let me go to waste  
I get what I don't want until I want it  
Then it falls away

Any other day, any other day, any other day  
I'd give you what you want but I don't have it  
Nothing's gonna change awesome as a miracle, miracle, miracle, miracle  
Hunted like an animal, animal, animal, animal

Can't kill a man whose never felt alive  
Let me get some more of that neglect, yea put it in my veins  
I got a right to want a little less, right?  
Take it all away

Any other day, any other day, any other day  
I'd give it all I got but I have lost it, damn it anyway  
Awesome as a miracle, miracle, miracle, miracle  
Wanted like a criminal, criminal, criminal, criminal

Can't electrocute a man that's made of light  
Can't hang a man that's done no crime  
Read me my last rights

Awesome as a miracle, miracle, miracle, miracle  
Wanted like a criminal, criminal, criminal, criminal

Blinded by the neon afterglow

Fuck it I don't want another first rush, it feels the fucking same  
I haven't even peaked yet, I'm waiting for the wave  
Every single day, every single day, every single day  
I'm tripping on a hole in the space-time, it's 1968

Watch it on the video, video, video, video  
Play it on the stereo, stereo, stereo, stereo

Read me my rights, last rights  
Then read them again  
Give my love to Buffalo, Buffalo  
Read me my last rights, louder

Wanted like a criminal  
Awesome as a miracle, say it  
Hunted like an animal  
Awesome as a miracle
