

Lane of Memory

Everyone Dies In Utah

I can't go looking again
The past was never my friend
Why can't I just let it go
A side of me you didn't know
Why can't I let it go
I don't remember
Can't we forget together
Watch it burn like embers
Burn away
Burn away
Burn away

Its alive
Deep in my memory
The weight is taking over
The weight is taking over
Never left behind

I can see it clearly
Now it's open
Can we pretend
It never happened
Getting lost in the lane of memory
All i feel is the shame come over me
The past stays in the past
The time it moves so fast
If I abandon
Abandon all of it
I'll never sink again
Free from the burden
Free from wretch
I knew as me

It's alive
Deep in my memory
The weight is taking over
The weight is taking over
Never left behind

Never left behind

I can see it clearly
Now it's open
