

## Driving

## Everything But the Girl

Oh loverboy To you I belong  
But maybe one day you'll wake  
and you'll find me gone  
But loverboy  
If you call me home

I'll come driving  
I'll come driving  
Fast as wheels can turn

Oh loverboy I know you too well  
and all of my lonely secrets  
To you I tell  
The highest of highs  
The lowest of lows

I'll come driving  
I'll come driving  
Fast as wheels can turn

Stretching away as far as my eyes can see  
Deserts and darkness, my hand on the wheel  
Loverboy, please call me home  
A girl can get lonely out here on the road

You see Some days I find the old ways  
Frighten me too easily  
I leave my key and say "I'm too young"  
But loverboy  
If you call me home  
I'll come driving fast as wheels can turn
