

Missing

Everything But the Girl

Am

Step off that train

Em7

Walking down your street again

Am

Past your door

G

I guess you don't live there anymore

Am

It's years since you've been there

Em7

Am

And now you've disappeared somewhere

Like out of space

G

You've found some better place

Am F

And I miss you

G

Fm F

Like a desert's missed the rain

Am F

And I miss you

G

Fm F

Like a desert's missed the rain

Am

Could you be dead?

Em7

Always were two steps ahead

Am

Of everyone

G

Walked behind while you run

Am

I look up by your house

Em7

Am

And I can almost hear you shout down to me

G

Where I always used to be

Am F

And I miss you

G

Fm F

Like a desert's missed the rain

And I miss you

G

Fm F

Like a desert's missed the rain

Am

Back on the train

Em7

Asked why did I come again

Am

Can I confess

G

I've been hanging your old address

Am

Years have proved

Em7

To offer nothing since you moved

Am

Your long gone

G

And I can't move on

Am F

And I miss you

G
