

My Head Is My Only House Unless It Rains

Everything But the Girl

I'll let a train be my feet if it's too far to walk to you
And if a train don't go there, I'll get a jet or a bus
'cause I'm gonna find you
Your're gonna see my shadow soon around you
Yea, My head is my only house unless it rains
I'll walk the meadow plains
Water deserts on my eyes until I find you,
I won't sleep until I find you
Won't eat until I find you

My heart won't beat until I wrap my arms around you
My arms are just too things in the way
'till I can wrap them around you
You can make a sad song happy, and a bad world good
I feel you out there movin'
You're mine and I know I'll find you
Yea, my head is my only house until I find you
I hate to hear other people hear me sing this song
If it reaches you before I do, follow this song, and I love you
It's where I'll find you

Yea, my head is my only house unless it rains (x 4)
